## Required Courses

The required courses for grade 10 are below. Please put a comment in the MyEd BC "notes to counsellor" if you need to change one of these courses because you have already taken it or need to retake a course.

You will be placed in:
$\checkmark$ Physical and Health Education 10 (MPHED-10)
$\sqrt{ }$ Career Life Education 10 (MCLEA10)
$\sqrt{ }$ Composition 10 (MCMPS10) (2 credits) AND Creative Writing 10 (MCTWR10)
$\checkmark$ Science 10 (MSC--10)
$\sqrt{ }$ Social Studies 10 (MSS--10)
Please place a $\sqrt{ }$ beside the one Mathematics 10 you chose on MyEd BC:
$\qquad$ Foundations of Math and Pre-Calculus 10 (MFMP-10)
$\qquad$ Workplace Mathematics 10 (MWPM-10)

## Please Note:

Choosing a grade 10 Mathematics course can have an impact on post-secondary options.

- Foundations and Pre-Calculus Mathematics 10 - prepares students for academic programs such as degree, certificate, or diploma programs and some trades
- Workplace Mathematics 10 - prepares students for the workplace

Please see Mr. Fraser or Mrs. Giesbrecht and put a comment in the "notes to counsellor" if you are interested in a trades program. Please see the course selection website for more information on the trades options in our school district:

## Elective Courses

You will need to select three elective courses from the list on the next page. Please put a comment in the MyEd BC "notes to counsellor" if you would like to select additional courses from the required courses above as electives. One of your selections should be an Applied Design Skills Technology (ADST) or fine art. Please place a $\sqrt{ }$ beside the three selections that you want and put an "A" beside three alternates.

## Planning for the future

When students are making course selections for grade 10-12, they will need to consider what their plans may be after they leave secondary school:

- Degree program at university (Bachelor of Arts, Bachelor of Science, etc)
- Certificate or diploma program (Tourism, Vet assistant, etc)
- Trades program (Welding, Carpentry, Electrician, Parts Technician, etc)
- Work

Now is a good time to start having discussions about these plans and researching post-secondary options.

The timeline for the course selection is as follows:

February 7-11
Ms. Holmes meets with students to outline how to make their course selections
Forms sent home with students for discussion with parents
February 16
All parent-signed forms to be returned to Ms. Holmes
February 16 - June
Timetable creation will begin
Courses used will be selected based on student requests
If staffing changes, timetable may change anytime before September

Sometime in June
Tentative student timetables for 2021-22 available to students and parents
A copy will be sent home with the final report card at the end of June

If you have any questions, please contact me at Iholmes@sd73.bc.ca or 674-3328.
